

# Quick coupling plug KS4-CK-9

Part number: 531683

**FESTO**

## Data sheet

| Feature                                         | Value                                         |
|-------------------------------------------------|-----------------------------------------------|
| Nominal width                                   | 7.4 mm                                        |
| Type code                                       | KS4                                           |
| Operating pressure for entire temperature range | -0.95 bar ... 12 bar                          |
| Standard nominal flow rate                      | 1017 l/min                                    |
| Operating medium                                | Compressed air as per ISO 8573-1:2010 [7:-:-] |
| Information on operating and pilot media        | Operation with oil lubrication possible       |
| Corrosion resistance class (CRC)                | 1 - Low corrosion stress                      |
| Ambient temperature                             | -10 °C ... 60 °C                              |
| Product weight                                  | 26 g                                          |
| Pneumatic connection 1                          | CK-9                                          |
| Note on materials                               | RoHS-compliant                                |
