A863CFGF	Ceiling ring and ground lug	24	17.46
A863DF	Double-gang	24	17.42
A863DGF	Double-gang and ground lug	24	17.99
A863SF	Single-gang	24	17.15
A863SGF	Single-gang and ground lug	24	17.44

Carlson Mud box assemblies with mounting feet are specifically engineered and designed for use in tunnel form applications. The mounting feet are located on all four corners and enable the box to attach directly to the wall of the form using pop rivets. The pop rivets help keep the box in position during the pour and provide a safe, secure and rust-resistant mount.
