# COMMERCIAL AND INDUSTRIAL GRADE RECEPTACLES

## PlugTail® Receptacles

## CONNECT WITH THE FUTURE

In the world of commercial wiring device installation, it's all about flexibility. For years now, PlugTail® electrical wiring devices have been providing that flexibility in commercial buildings everywhere. Easy to install, change out and upgrade, PlugTail allows you to continuously reconfigure to

meet a building's electrical requirements as the space transforms – without the time and expense of rewiring.

It's a cost-effective, code-compliant, proven way to keep your customers connected to the future, while securing your reputation as a forward-thinking electrical contractor.

### Connect with the product line that keeps growing.

From sensors to switches, standard and controlled receptacles to surge protection devices. The constantly growing PlugTail family has you covered on every conceivable commercial job:

- Devices install in less than a minute
- No preparing, stripping, looping or taping
- Meet NEC® and Energy Code requirements
- Makes changeouts and upgrades quick and easy

**Happier installers. Happier customers.** Because PlugTail installation's a lot easier on the knees and fingers, installers benefit. And because it makes it easy and affordable for customers to transform their building layouts without expensive rewiring, they're happier, too.

# COMMERCIAL GRADE RECEPTACLES

## Heavy-Duty Specification Grade Tamper-Resistant Decorator Single Receptacles 15 & 20A, 125V

TR26361LA

### Features

- Auto-ground clip assures positive ground.
- Backed-out tri-drive brass terminal screws for faster installation. Internal screw-pressure-plate back and side wire capability. Two back wire holes for additional wiring flexibility.
- Heavy-duty corrosion-resistant zinc-plated strap for added strength.
- One-piece brass triple-wipe power contact for lasting retention.
- Two drive screws anchor steel strap to back body and face where abrupt removal torque is greatest.
- Dual mechanical shutter system to help prevent insertion of foreign objects.
