

### Main Features

|              |                      |
|--------------|----------------------|
| Series       | : EDP11              |
| Product Code | : EDP11S142DN3R11000 |
| Type         | : Standard           |

### Basic Data

|                           |                                                                                                                                               |
|---------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Panel type                | : VFD                                                                                                                                         |
| Bypass type               | : AC3                                                                                                                                         |
| Enclosure type            | : Free Standing                                                                                                                               |
| Enclosure rating          | : Type 3R                                                                                                                                     |
| Thermal Management        | : Enclosure heater                                                                                                                            |
| OPCIONAIS_INVOLUCRO_PEWEC | :                                                                                                                                             |
| Disconnect switch type    | : Circuit Breaker rotary handle disconnect                                                                                                    |
| Horsepower (HP)           | : 50 HP                                                                                                                                       |
| Main voltage              | : 230 V                                                                                                                                       |
| Control Voltage           | : 120 V                                                                                                                                       |
| Frequency                 | : 60 Hz                                                                                                                                       |
| SCCR rating               | : 5 kAIC                                                                                                                                      |
| Control power transformer | : 100 VA - Open                                                                                                                               |
| Reactor/Filter            | : None                                                                                                                                        |
| Communication             | : None                                                                                                                                        |
| Control options           | : Start Pushbutton, Stop Pushbutton, Speed Potentiometer, Hand/OFF/Auto Selector Switch, E-STOP Pushbutton, Run Light, Fault Light and Keypad |

### Dimensions

|                |                       |
|----------------|-----------------------|
| Nominal height | : 1524.0 mm / 60.0 in |
| Nominal width  | : 914.4 mm / 36.0 in  |
| Nominal depth  | : 406.4 mm / 16.0 in  |

### Certifications

|               |          |
|---------------|----------|
| Certification | : UL/cUL |
|---------------|----------|
