

# DATASHEET

## Engineered Panels

### Main Features

|              |                      |
|--------------|----------------------|
| Series       | : EDP11              |
| Product Code | : EDP11S142DN1210000 |
| Type         | : Standard           |

### Basic Data

|                           |                                                                                           |
|---------------------------|-------------------------------------------------------------------------------------------|
| Panel type                | : VFD                                                                                     |
| Bypass type               | : AC3                                                                                     |
| Enclosure type            | : Free Standing                                                                           |
| Enclosure rating          | : Type 12                                                                                 |
| Thermal Management        | : Forced air ventilation                                                                  |
| General enclosure options | : Floor-Stand Kit                                                                         |
| Disconnect switch type    | : Circuit Breaker rotary handle disconnect                                                |
| Horsepower (HP)           | : 50 HP                                                                                   |
| Main voltage              | : 230 V                                                                                   |
| Control Voltage           | : 120 V                                                                                   |
| Frequency                 | : 60 Hz                                                                                   |
| SCCR rating               | : 5 kAIC                                                                                  |
| Control power transformer | : 100 VA - Open                                                                           |
| Reactor/Filter            | : None                                                                                    |
| Communication             | : None                                                                                    |
| Control options           | : Start Pushbutton, Stop Pushbutton, E-STOP Pushbutton, Run Light, Fault Light and Keypad |

### Dimensions

|                |                       |
|----------------|-----------------------|
| Nominal height | : 1524.0 mm / 60.0 in |
| Nominal width  | : 914.4 mm / 36.0 in  |
| Nominal depth  | : 406.4 mm / 16.0 in  |

### Certifications

|               |          |
|---------------|----------|
| Certification | : UL/cUL |
|---------------|----------|
